

Winery

<https://cliffledevineyards.com/about/winery/>

The state-of-the-art winery, designed by world-renowned architect Howard Backen and completed in 2005, combines time-tested techniques with innovative technology. Built into a hillside and contiguous with the caves, the winery features the White Room, named after the Beatles White album, which looks over both the striking tank room on one side, and the breathtaking vineyards and rugged landscape of the Stags Leap District on the other.

Sorting

Upon early morning arrival at the winery, our grapes are subjected to our rigorous three-tiered sorting process. First, clusters are hand sorted via visual inspection. Then, a cutting-edge Pellenc optical sorting machine selects grapes based upon quality settings established by the winemaker.

Finally, remaining berries are subjected to one last hand-sort to ensure that only the best berries make it into the tank.

Gravity Flow

In order to maintain berry integrity, a unique crane system was installed to gently deliver whole berries to tank for fermentation, allowing for minimal processing of the fruit.

Tanks

Lede commissioned American tank manufacturer Mueller to recreate distinctive truncated tanks inspired by those at Château Latour, to allow for more skin submersion, resulting in better flavor and color extraction.

Caves

Barrels are stored in temperature-controlled caves in the hillside behind the winery, providing an ideal atmosphere for aging and energy savings congruent with our Napa Green Winery certification.

Our Story

<https://cliffledevineyards.com/about/story/>

Cliff Lede Vineyards was founded in 2002 by Cliff Lede following the acquisition of 60 acres in the Stags Leap District of Napa Valley. With a focus on producing wines from estate vineyards, Cliff engaged industry experts to redesign and replant the majority of the estate. The plantings were so specific and precise to each soil type and exposure that, to keep track without having to refer to a clipboard, Cliff decided to name each block after some of his favorite rock songs and albums. From “My Generation” to “Dark Side of the Moon,” he created what is known today as the Cliff Lede Vineyards “Rock Blocks.” The winemaking team gets creative with this innovation, annually crafting a small-lot Rock Block Series “mash up” of two or more blocks, featured in the tasting room and wine club.

The estate is split into two distinct vineyards in the northern corner of the Stags Leap District appellation. The steep, southwest-facing hillside vineyard is our Poetry Vineyard. It reaches from the valley floor up to the highest elevations of the appellation. This site is composed of a combination of shallow volcanic soils on top of fractured shale, which produces extremely concentrated berries. This iconic vineyard is the sole source for the winery's flagship Cabernet Sauvignon, Poetry. Next to the hillside, The Rhythm Vineyard sits on the valley floor surrounding the tasting room and winery.

The soil is predominantly gravelly loam thanks to the two rocky hillsides on the vineyard's southern border. The plantings on Rhythm Vineyard include Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot, Malbec, Sauvignon Blanc, and Sémillon.

The modern winery, designed by world-renowned architect Howard Backen and completed in 2005, combines time-tested techniques with innovative technology. The winery utilizes a three-tier sorting line including an optical sorting machine, which sorts grapes based upon quality settings established by the winemaker. A custom crane system gently delivers the berries to tank by gravity before fermentation. In 2011, a 300-kilowatt solar panel field was installed to fully power the winery. Wastewater is captured for irrigation and an extensive cave system provides a naturally cool space for wines to age.

Cliff Lede Vineyards' production is overseen by Director of Winemaking Christopher Tynan and Winemaker Travis Bullard. Wines produced include Sauvignon Blanc, Napa Valley; Cabernet Sauvignon, Stags Leap District; Cabernet Sauvignon, Beckstoffer To Kalon Vineyard; the Rock Block Series, Stags Leap District; Songbook, Napa Valley; and the flagship wine, Poetry, Stags Leap District, among others that are offered only to wine club members.

Our Team

URL: <https://cliffledevineyards.com/about/team/>

Cliff Lede

Since founding his namesake winery in 2002, Cliff Lede has focused on creating a modern and diversified world-class estate. His approach combines the values of Old World winemaking with the energy and innovation of the New World. The winery is known for its connection to the land and its forward-thinking perspective. The property features

contemporary art and vineyard blocks named after classic rock songs, reflecting Lede's belief that wine, like music and art, is a source of beauty. Lede's journey began with his family's construction business in Canada and a growing passion for Bordeaux wines.

After discovering Napa Valley, he

sought to establish a winery in the Stags Leap District, known for its complex wines. This led to the founding of Cliff Lede Vineyards and the acquisition of the Poetry Vineyard.

Jason Lede

As General Manager & COO, Jason Lede oversees daily operations and works with his father, Cliff Lede, to guide the winery's long-term vision. His journey in the wine business began as a teenager, leading to a business degree, an MBA, and an Advanced Wine Certificate. Jason joined Cliff Lede

Vineyards in 2015, initially managing wholesale sales and later hospitality operations. As Director of Communications, he led branding and sustainability initiatives. He became General Manager & COO in January 2025. Jason is involved in the Napa Valley wine community and enjoys mountain biking and performing as DJ Jason Lede.

Christopher Tynan

Christopher Tynan, the Director of Winemaking, emphasizes letting the grapes speak for themselves. His career began as a vineyard technician, followed by a harvest at Cain Vineyard & Winery and work with Helen Turley and John Wetlaufer at Blankiet Estate. He later became assistant winemaker at Colgin Cellars, where wines received high praise. Joining Cliff Lede Vineyards in 2012, Tynan brings a passion for detail and a philosophy of minimal intervention, ensuring each bottle reflects the vineyard's nuances.

Travis Bullard

Travis Bullard, the winemaker, collaborates with Christopher Tynan to manage winemaking operations. He started at Cliff Lede Vineyards as an intern in 2010 and quickly advanced through various roles. By 2021, he became the winemaker. Bullard's background includes a degree in Agricultural Business and experience at wineries like Korbel and Sonoma Cutrer. He lives near the vineyard with his family and enjoys golf and travel.

Eric Gallegos

As Director of Vineyard Operations, Eric Gallegos oversees the winery's estate vineyards. A third-generation Napa Valley farmer, Gallegos has a degree in viticulture and extensive experience in vineyard management. He joined Cliff Lede Vineyards in 2024, drawn by their commitment to organic farming and terroir expression. Outside of work, Gallegos enjoys family time, exploring new restaurants, and supporting his favorite sports teams.

Vineyards Estate Vineyards

<https://cliffledevineyards.com/about/vineyards/>

Our sixty acres in the Stags Leap District stretch from the steep hillside terraces of the Poetry Vineyard to the valley floor Rhythm Vineyard surrounding the winery. An additional twenty acres of Cabernet Sauvignon and Sauvignon Blanc vineyards, replanted in 2019, are located in the Calistoga sub-appellation in the northern end of Napa Valley, and the latest acquisition of eighty-six acres in Carneros is undergoing a complete replant. Cliff Lede Vineyards' production is farmed by an in-house team overseen by Vineyard Manager Beto Ochoa.

Poetry Vineyard

The estate Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District sub-appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils

atop fractured shale. Due to the stressful nature of the site, planted by David Abreu with high vine density, proprietary clonal selection, and farmed to very low yields, the vines develop slowly and produce small flavorful berries. Wine critic Robert Parker has called our flagship Poetry Cabernet Sauvignon “bottled perfection.” The vineyard is primarily planted to Cabernet Sauvignon, with small blocks of Cabernet Franc and Petit Verdot.

Rhythm Vineyard

Nestled between two large hills at its southern boundary, the valley floor vineyard that surrounds our winery is known as the Rhythm Vineyard. In contrast to the steep rocky blocks of the hillside Poetry Vineyard, the Rhythm Vineyard soil is composed of gravelly loam of varying depths and rock content.

We farm many small blocks of Bordeaux varieties with unique combinations of clonal selections and rootstocks. Situated at the northernmost edge of the Stags Leap District, this property forms the backbone of the Cliff Lede Cabernet program.

The “Rock Blocks”

Most vineyard blocks are mapped out with a straight-forward A, B, C or 1, 2, 3 system. After Cliff Lede tapped viticulturist David Abreu to replant the vineyards, the plantings were so specific and precise to each soil type and exposure that, to keep track of the blocks without having to refer to a clipboard, Cliff decided to name each block in the Rhythm and Poetry vineyards after some of his favorite rock songs and albums. Block names such as “My Generation” and “Dark Side of the Moon” created what is known today as the Cliff Lede Vineyards’ “Rock Blocks.” Our winemaking team gets creative with this invention, annually crafting a small-lot “mash up” bottling of two or more blocks. Past vintages have included names like “Cinnamon Stardust,” “Lonely Wizard,” and “Landslide Fire.”

Calistoga Vineyard

Located at the base of Diamond Mountain in the western portion of the Calistoga appellation, our Calistoga vineyard estate has twenty acres of vineyard planted mostly to Cabernet Sauvignon, with a small block of Sauvignon Blanc. The gravelly loam soils are volcanic in origin with alluvial influence made evident by copious amounts of water-rolled gravel and large cobbles. While Calistoga can experience quite hot daytime temperatures, our estate is protected from the hot afternoon sun by Diamond Mountain to our west. Cool breezes from the Pacific are drawn in by the narrow gap between Napa and Sonoma Counties further mediating the hot days.

High Fidelity Vineyard

Our 87-acre High Fidelity vineyard in Carneros was added to our estate in 2019. The vineyard is comprised of clay and loam-based soils and boasts an exposed flat section on the east side with rolling hills to the west. The lower-lying flat section was replanted mostly to Sauvignon Blanc and Chardonnay in 2020. The adjacent hills, also replanted in 2020, feature Cabernet Franc, Merlot, Cabernet Sauvignon, and Sémillon.

Our Values

URL: <https://cliffledevineyards.com/about/our-values/>

Mission Statement

The Cliff Lede Vineyards community is dedicated to enriching lives by creating fun and memorable luxury experiences. We deliver excellence with passion, integrity, and sustainability.

Our Commitments

- We constantly strive to be an environmentally-conscious grower and producer of wines of high quality and value.
- We are committed to marketing the enjoyment of wine with integrity and responsibility.
- We are dedicated to creating a safe and dynamic environment in which every employee finds their work rewarding and meaningful.
- We are devoted to the well-being of our community.

Diversity & Inclusion

Cliff Lede Vineyards and all associated entities are committed to diversity and inclusion. All visitors, vendors, customers, and employees will be treated equally, respectfully, and with a warm welcome of gracious hospitality, regardless of race, color, religion, sexual orientation, gender identity, national origin, age, or ability.

Philanthropy

URL: <https://cliffledevineyards.com/about/philanthropy/>

The Lede family has committed significant time and resources to philanthropic endeavors around North America for over 40 years. Cliff Lede Vineyards is proud to support various charities whose mission is to make a difference and improve lives. We are supporters of health care, education, and families in need. Below is a list of some of the charities we partner with.

- American Cancer Society
- American Wine Society

- Bears Care Foundation
- Blue Oak School
- Boys & Girls Club of Napa Valley
- Boys & Girls Club of Saint Helena & Calistoga
- Cloverdale Art Alliance
- Cystic Fibrosis Foundation
- Family House San Francisco
- Festival Napa Valley
- Forks & Corks
- Heart of a Champion
- Inspire Napa Valley
- Justin-Siena Highschool, Napa Valley
- Kimball Art Center
- Kiwanis Club of Yountville
- Larkin Street Youth Services
- Leukemia & Lymphoma Society
- Make-A-Wish Foundation
- Mentis Napa
- Mount Veeder Fire Protection Council
- Napa High School Choir
- OLE Health
- One Mind Music Festival
- Pillars of Hope
- Providence Community Health Foundation
- Rady Children's Hospital of San Diego
- Saint Helena Montessori School
- San Carlos Education Foundation
- Southern Smoke Festival
- St. Isidore School, Danville
- The Carmel of Saint Therese and the Holy Family
- The Children's Fund
- The Roots Foundation
- United Sommeliers Foundation
- Veritas Christian Academy, Napa Valley
- Vichy Elementary, Napa Valley
- Willow Elementary, Napa Valley

Sustainability

<https://cliffleddevineyards.com/about/napa-green/>

Cliff Lede Vineyards' philosophy is built upon a commitment to enhancing and protecting the valuable land and water with which they grow their wine grapes and enriching the quality of life for their team. In 2015, the winery was awarded a Napa Green certification, which focuses on production methods that meet and exceed more than twenty local, state, and federal

"best practices." Cliff Lede wines are an exuberant expression of their Napa Valley vineyards and reflect the natural harmony and balance encouraged through the following practices:

- **Compost and Organic Fertilizer:** Used for natural and sustained vineyard nutrition.

- **Recycling:** Winery process water is recycled for irrigation and landscaping.
- **Cover Cropping:** Implemented for erosion control and soil fertility.
- **Conversion to No Tillage:** Between vine rows to minimize erosion.
- **Mechanical Weed Control:** Reduces or eliminates the use of herbicides.
- **Natural Habitat:** Maintained for wildlife on over 50 acres of unplanted land.
- **Native Plant Insectaries:** Attract beneficial insects to assist in pest management.
- **Weather Station:** Allows for more efficient irrigation and disease prevention based on risk.
- **Deficit Irrigation:** Minimizes water use and produces small concentrated grapes.
- **Solar Panels:** Provide natural energy and reduce energy use by over 90%.
- **Vineyard Workers:** Employed full-time, year-round, and receive benefits.
- **Cave Network:** Stores wine in barrels with minimal energy for cooling.
- **Integrated Pest Management:**
 - Creating habitat for and releasing beneficial insects.
 - Using canopy management practices to reduce disease pressure.
 - Applying organic products for disease control.
 - Assessing risk and monitoring the vineyard before applying pest control measures.

Trade Resources - Cliff Lede Vineyards

URL: <https://cliffledevineyards.com/trade-resources/>

Cliff Lede Vineyards is a family-owned and operated winery located in the famed Stags Leap District. The winery focuses on producing high-quality Cabernet Sauvignon, with "Poetry" and "Rhythm" being the highest expressions of this unique property. For over 20 years, Cliff Lede Vineyards has been dedicated to crafting wines of extraordinary quality with a commitment to authenticity and sustainability.

The winery farms over 160 acres of exceptional estate vineyards in Napa Valley, including additional estate vineyards in Carneros and Calistoga, which naturally balance the portfolio of Napa Valley wines. Founder Cliff Lede, inspired by tours through Bordeaux and Napa Valley in the 1990s, brought his passion for classically styled wines to life in Napa Valley. His entrepreneurial spirit and dedication to excellence have established Cliff Lede Vineyards as a respected producer of classic, authentic, and sustainably crafted wines.

Jason Lede, the General Manager & COO, has worked alongside his father, Cliff Lede, from an early age to build a comprehensive understanding of the winery business. His experience ensures the winery's evolution for the next

generation, maintaining the family's legacy as a producer of exceptional wines.

The winery offers trade visits by appointment and provides resources for trade and media, including brand assets and company information. For trade inquiries, contact Dina Clark, Vice President Wholesale, at dina@ledefamilywines.com. For media inquiries, contact media@ledefamilywines.com.

1473 Yountville Cross Road Yountville,
CA 94599

From Highway 29

Exit the highway at Madison Street at the north end of Yountville and head east. When Madison ends, turn left onto Yount Street, then make an immediate right onto the Yountville Cross Road. The winery is approximately 1.5 miles on your right.

From Silverado Trail

Turn west onto the Yountville Cross Road. Cliff Lede Vineyards is approximately 1/4 mile on your left.

2022 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard

URL: <https://cliffledevineyards.com/product/2022-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

The sensuous 2022 To Kalon is endowed with a deep garnet color and gorgeous notions of violets, sandalwood, crème de cassis, smoked meats, black pepper, and garrigue with touches of chargrill, dried herbs, and mincemeat pie. Medium plus bodied, soft, and plush on the palate, it has tons of mouth-filling savory and blackberry preserves flavors and a very long, pure, savory finish. Balanced perfection from a legendary site. – Christopher Tynan, Director of Winemaking

- **97 points, Lisa Perrotti-Brown, *The Wine Independent***
- **97 points, *Decanter***

Vineyard Notes

Situated on the western Oakville bench, the celebrated Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this critically praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into small twenty-five-pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting-edge optical sorter, and a slow, individual berry hand sort. Whole berries were gently delivered by gravity to tank by our unique

crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2021 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard

URL: <https://cliffledevineyards.com/product/2021-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard>

Wine Specs

- **Vintage:** 2021
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

The deep dark ruby colored 2021 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard boasts a brooding perfume of sultry violets, wild blackberry, and black figs. Red currant, black cherry, and mulberry preserve flavors permeate the entry tinged with cinnamon and nutmeg notes. Hallmark accents of gravelly loam, graphite, and crème de cassis open along the fresh finish and linger long after tasting. This raw multilayered wine will continue to open and gain immense depth and length with proper cellaring. – Christopher Tynan, Director of Winemaking

subjected to rigorous selection by a three-tiered sorting process which includes a cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by a unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2016 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard, 3L

URL: <https://cliffledevineyards.com/product/2016-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard--3l>

Wine Specs

- **Vintage:** 2016
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Oakville

Item Price

- **Price:** \$1,490.00

Description

The 2016 To Kalon's fresh acidity carries the unctuous flavors along enthusiastically, and the ultrafine, sensuous tannin are impossible to resist.

Vineyard Notes

Situated on the western Oakville bench, the celebrated Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up the blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this critically praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by a three-tiered sorting process which includes a cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by a unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2024 Cliff Lede Sauvignon Blanc, Napa Valley

<https://cliffledevineyards.com/product/2024-cliff-lede-sauvignon-blanc-napa-valley->

Wine Specs

- **Vintage:** 2024
- **Varietal:** Sauvignon Blanc
- **Appellation:** Napa Valley

Price

- **Item Price:** \$38.00 for 750ml

Description

The lovable 2024 vintage of our Sauvignon Blanc offers complex hints of lime sherbet, honeysuckle, lemon curd, and orange blossom that are fragrant and complex. The flavors and aromas are built on a fleshy, succulent frame, with notes of nectarine, pear, and ripe honeydew melon. Harmonious with a thread of acidity on the finish, this vibrant wine dazzles with its refreshing appeal.

– Christopher Tynan, Director of Winemaking

Vineyard Notes

Our Sauvignon Blanc is a lively, yet elegant, expression of this varietal that gathers its complexity from both the diversity of terroir running north to south in the Napa Valley and from the inclusion of the rich and unctuous Sémillon grape. This blend includes Sauvignon Blanc and Sémillon from our estate vineyards in Calistoga, Stags Leap District, and Carneros. A grower vineyard in eastern Rutherford is home to old vines planted to a heritage

Musqué clone that provides density, richness, and lemon citrus notes.

Finally, old vine Sémillon from another site in Calistoga gives the wine an expansive mouth-coating richness that is the hallmark of our style.

Production Notes

The fruit was hand-harvested in the cool darkness of night and arrived at the winery at dawn. The grapes were held in controlled low oxygen and cold temperatures. Gentle, whole cluster pressing released the delicate, prized juices, and created a deeper level of complexity. The juice was fermented in 55% French oak barrels, 35% of which were new, and 45% stainless steel tanks. All fermentation was conducted at cold temperatures to preserve the freshness of the fruit. Upon reaching dryness, the wine was aged on its lees and select lots underwent occasional bâtonnage.

Winemaker Notes

- **Blend:** 77% Sauvignon Blanc and 23% Sémillon

2022 Cliff Lede Cabernet Sauvignon, Napa Valley

<https://cliffledevineyards.com/product/2022-cliff-lede-cabernet-sauvignon-napa-valley>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Item Price

- **\$80.00** for 750ml

Description

The precocious and playful 2022 Napa Valley Cabernet Sauvignon is so full of youthful exuberance. Intense aromas of black fig, chocolate covered cherries, and silky cassis leap from the glass. Spice notes of cardamom, Tahitian vanilla, and anise intertwine with the dark fruit notes to give complexity and nuance. With time in the decanter, the lush and silky texture unfolds, enveloping the palate like fine cashmere. This comely and versatile wine will pair effortlessly with a multitude of cuisines. – Christopher Tynan, Director of Winemaking

Vineyard Notes

Our Stags Leap District and Calistoga estate vineyards build the foundation of this wine with support from valued grower sites located in Oakville, Rutherford, and Howell Mountain. Composed of small batches from a variety of blocks of varying age, this wine represents a diverse range of carefully selected rootstocks and clones. Yields are maintained at sparse levels, with a focus on canopy management and vine balance. The resulting blend boasts a remarkable depth and complexity that is quintessential Napa Valley.

Production Notes

Grapes were picked in the darkness of the early morning hours. The freshly harvested fruit immediately underwent rigorous selection by our three- tiered sorting process, which included our cutting-edge optical sorter. Whole berries were gently delivered by gravity to tank using our crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately seven days, and fermentations were managed via a combination of

délestage, pumpovers, and punchdowns. Extended maceration ranging from four to five weeks fine-tuned our tannin profiles, allowing us to perfect mouth feel and wine complexity.

Winemaker Notes

- **Blend Composition:** 79% Cabernet Sauvignon, 15% Merlot, 2% Petit Verdot, 3% Cabernet Franc, 1% Malbec

2022 Cliff Lede Cabernet Sauvignon, Oakville

URL: <https://cliffledevineyards.com/product/2022-cliff-lede-cabernet-sauvignon-oakville>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Oakville

Description

The 2022 Oakville leads with an inviting aromatic display of blackberry, plum, warm cherries, cardamom, and clove. There is a lovely depth of red and black licorice, cassis, and mulberries all tinged with a hint of cedar, tarragon, and thyme. Weaved amongst the fruitier flavors are a bevy of terroir-driven elements like sweet loam, river gravel, and iron. The fresh acidity is lively and guides the long luxurious finish where savory porcini mushroom and black tea notes linger. - Christopher Tynan, Director of Winemaking

Vineyard Notes

An exceptional vineyard in the Oakville appellation produces intensely concentrated grapes for this wine. Planted on the southeast border of Oakville, this extremely rocky vineyard's soil is composed of stones made round by the weathering of Rector Creek's stream over the millennia. The poor stony soils restrict vine vigor and allow the vines to only produce small berries inherent with incredible concentration. The heat retained by these rocky soils helps ripen the clusters and lends a silky lush texture to the tannins and finish.

Production Notes

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting-edge optical sorter, to eliminate less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by our crane system, retaining perfect, whole berries. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage and pump overs. Extended maceration, ranging from three to four weeks, fine-tuned tannin profiles, allowing us to build structure and wine complexity.

2022 Cliff Lede 'Rhythm' Cabernet Sauvignon, Stags Leap District

URL: <https://cliffledevineyards.com/product/2022-cliff-lede--rhythm--cabernet-sauvignon--stags-leap-district>

Item Price: \$125.00

Description: The triumphal 2022 Rhythm exudes class and sophistication right out of the glass, flaunting its Stags Leap District breeding and balanced perfection with confidence. There are gorgeous black currants, kirsch, pain grillé, cigar wrapper, and pencil shavings on the nose, with loamy rocky aromas intertwined with sandalwood and mint. Fresh and balanced with no heaviness, the chocolatey and cassis flavors linger with a fine density along the medium-long finish. – Christopher Tynan, Director of Winemaking

Ratings: - 96 Points, The Wine Independent - 95 Points, James Suckling

Vineyard Notes: The Rhythm Vineyard is located on the subtle slopes of our Stags Leap District estate. Defined by two large hills at its southern border, this vineyard surrounds our winery and reaches west toward the Napa River. The Rhythm Vineyard's soil is composed of gravelly loam of varying depths and rock content. The incredibly diverse soil profile enables us to farm several small blocks of Cabernet Sauvignon and additional Bordeaux varieties with unique combinations of clonal selections and rootstocks.

Production Notes: In the cool darkness of night, grapes were hand-picked into small twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting-edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

Winemaker Notes: - 85% Cabernet Sauvignon - 11% Petit Verdot - 2% Merlot - 2% Cabernet Franc

Wine Specs: - Vintage: 2022 - Varietal: Cabernet Sauvignon - Appellation: Stags Leap District

2022 Cliff Lede Songbook Cabernet Sauvignon, Napa Valley

URL: <https://cliffledevineyards.com/product/2022-cliff-lede-songbook-cabernet-sauvignon-napa-valley-copy>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

Deftly balanced and refined, the 2022 Songbook is a rich, dramatic wine that soars from the glass with aromas of cherries, blackberries, and pine forest floor mingled with hints of violets, mulberries, and Sichuan peppers. Cast iron, black pepper, and mincemeat pie flavors add savory elements. Layered and seamless, it is lithe and polished, with a core of fine supple tannins. – Christopher Tynan, Director of Winemaking

Rating

96+ points, *The Wine Independent*

Vineyard Notes

The 2022 Songbook is sourced from two acclaimed Napa Valley vineyards – David Abreu's Madrona Ranch Vineyard, nestled in the foothills of the Mayacamas mountain range, and our Poetry Estate Vineyard. These vineyards produce grapes of exceptional character resulting from proprietary clones, extremely low yields, and meticulous farming.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five- pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process, which includes our cutting-edge optical sorter and a slow, individual berry hand sort. Whole berries were gently delivered by gravity to tank by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of élevage in French oak barrels, 99% of which were new.

- **Appellation:** Napa Valley

Description

The sensuous 2022 To Kalon is endowed with a deep garnet color and gorgeous notions of violets, sandalwood, crème de cassis, smoked meats, black pepper, and garrigue with touches of chargrill, dried herbs, and mincemeat pie. Medium plus bodied, soft, and plush on the palate, it has tons of mouth-filling savory and blackberry preserves flavors and a very

long, pure, savory finish. Balanced perfection from a legendary site. – Christopher Tynan, Director of Winemaking

- 97 points, Lisa Perrotti-Brown, *The Wine Independent*
- 97 points, *Decanter*

Vineyard Notes

Situated on the western Oakville bench, the celebrated Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this critically praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into small twenty-five-pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting-edge optical sorter, and a slow, individual berry hand sort. 2022 Cliff Lede Cabernet Sauvignon, Howell Mountain

<https://cliffledevineyards.com/product/2022-cliff-lede-cabernet-sauvignon--howell-mountain>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Howell Mountain

Description

Dark and beguiling, the 2022 Howell Mountain leaps from the glass with red and black currant, loamy forest floor aromas, and notes of white pepper.

Black forest cake, nori, and savory bone broth flavors wrap around the energizing and fresh blackberry, and fig notes on the palate. Finishing long and harmoniously, the depth of this wine is accented with cooling bay laurel and sage aromas carried out with soft integrated tannins. -Christopher Tynan, Winemaker

Vineyard Notes

Exceptional high-elevation vineyards in the Howell Mountain appellation produce intensely concentrated grapes for this wine. Soils are volcanic in origin and consist of two main types: the first is decomposed volcanic ash called tufa, and the second is red volcanic rock and clay that is high in iron. Both are nutrient-poor, which stresses the vines, producing intense and structured wines from small clusters and berries. The altitude, climate, and soils combine to create a classic mountain Cabernet Sauvignon with incredible concentration, texture, and structure.

Production Notes

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting-edge optical sorter, to eliminate less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by our crane system, retaining perfect, whole berries. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage and pump overs. Extended maceration, ranging from three to four weeks, fine-tuned tannin profiles, allowing us to build structure and wine complexity. The wine was aged in French oak barrels, 52% of which were new, for twenty-one months.

2022 Cliff Lede Cabernet Sauvignon, Rutherford

URL: <https://cliffledevineyards.com/product/2022-cliff-lede-cabernet-sauvignon--rutherford>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Rutherford

Price

- **Item Price:** \$105.00 (750 ml)

Tasting Notes

The aromatic components of the 2022 Rutherford are deliciously integrated even in its youth. Loamy gravel notes, warm cassis, wild blackberry, bay laurel, and licorice root fill the palate and bouquet. Damson plum, warm mission fig, juniper, and turmeric spice decorate the long and plush finish. Precise and well-defined, this young wine struts unctuous nature with purity on the palate. - Christopher Tynan, Winemaker

Vineyard Notes

An exceptional benchland vineyard in the Rutherford appellation produces intensely concentrated grapes for this wine. Planted at the foot of a steep canyon on the western hills of Rutherford, the rocky and loamy soils were formed by eons of erosion from the mountains above. The aspect, climate, and soils combine to create a classic Rutherford Cabernet Sauvignon with incredible concentration, texture, and structure.

Production Notes

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting-edge optical sorter, to eliminate less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by our crane system, retaining perfect, whole berries. Cold soaks lasted approximately five days, and a combination of délestage and pump overs managed fermentations.

Extended maceration, ranging from three to four weeks, fine-tuned tannin

profiles, allowing us to build structure and wine complexity. The wine was aged in French oak barrels, 77% of which were new, for twenty-one months.

2021 Cliff Lede Poetry Cabernet Sauvignon, Stags Leap District

Highly Rated

Wine Specs

- **Vintage:** 2021
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Item Price: \$375.00 (750 ml)

Ratings: - 100 points, The Wine Independent - 100 points, Decanter - 99 points, Owen Bargreen - 98 points, Vinous

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, planted with high vine density and farmed to very low yields, the vines develop slowly and produce small flavorful berries. The vineyard is planted to legendary, proprietary heritage selections of Cabernet Sauvignon.

Vineyard Notes

The Poetry Vineyard is carved into a steep west-facing hillside, reaching from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, planted with high vine density and farmed to very low yields, the vines develop slowly and produce small flavorful berries. The vineyard is planted to legendary, proprietary heritage selections of Cabernet Sauvignon.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five- pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by a three-tiered sorting process, which includes a cutting-edge optical sorter and a slow, individual berry hand sort.

Whole berries were gently delivered by gravity to tank by a unique crane system, which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2011 Cliff Lede Poetry Cabernet Sauvignon, Stags Leap District

URL: <https://cliffledevineyards.com/product/2011-poetry-cabernet-sauvignon-stags-leap-district>

Wine Specs

- **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

A pretty bouquet of berry compote and black fig leads to inviting notes of vanilla bean, brioche, and warm spices. Hints of rose petals and anise greet the senses as this lush, weighty wine entices the palate. This seamless expression of fruit, spice, and earth is highlighted by the minerality of crushed rocks, reminiscent of the volcanic rock of the Poetry Vineyard. It is the steep, terraced west-facing slopes of the Poetry vineyard that produce a wine of such purity and concentration that intrigues the senses now yet has the intensity and structure to evolve in the cellar. Tasted February 2024 – Christopher Tynan, Director of Winemaking

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, the small vines develop slowly and yield small flavorful berries.

Production Notes

In the cool darkness of night, grapes were hand-picked under lights into twenty-five pound bins to minimize crushing. By early morning the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system which kept a high percentage of whole berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pumpovers and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. Following eighteen months of élevage in new French oak, the blend was selected from our best lots of the Poetry Vineyard. The final blend is 88% Cabernet Sauvignon, 8% Merlot, 2% Cabernet Franc, and 2% Malbec.

2009 Cliff Lede Poetry Cabernet Sauvignon Stags Leap District 3L Etched in Wood Box

URL: <https://cliffledevineyards.com/product/2009-poetry-cabernet-sauvignon-stags-leap-district-3l>

Wine Specs

- **Vintage:** 2009
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

Aromas of blueberry, rose petal, and slate bloom from the glass. The palate, while complicated, boasts the classic roundness and balance of Stags Leap District. Layers of violet and liqueur intertwine, then give way to chocolate and cardamom. The flavors crescendo through tightly wound tannins to arrive at a satisfying finish.

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow soils atop fractured shale. Due to the stressful nature of the site, the small vines develop slowly and yield small flavorful berries.

Production Notes

Grapes were picked in the cool darkness of early morning and immediately subjected to rigorous selection by a three-tiered hand sorting process. The fruit was gently delivered to tank and wooden cuves by a unique crane system, which kept a high percentage of whole berries intact. Cold soaks lasted approximately five to eight days and fermentations were managed through a combination of pumpovers, delestage, and pigage. Extended maceration of up to five weeks ensured exceptional extraction and fine-tuning of tannin profiles. Finally, the blend underwent twenty-four months elevage in new French oak.

Winemaker Notes

2022 Cliff Lede Songbook Cabernet Sauvignon, Napa Valley

URL: <https://cliffledevineyards.com/product/2022-cliff-lede-songbook-cabernet-sauvignon-napa-valley-copy>

Wine Specs

- **Vintage:** 2022
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

Deftly balanced and refined, the 2022 Songbook is a rich, dramatic wine that soars from the glass with aromas of cherries, blackberries, and pine forest floor mingled with hints of violets, mulberries, and Sichuan peppers. Cast iron, black pepper, and mincemeat pie flavors add savory elements. Layered and seamless, it is lithe and polished, with a core of fine supple tannins. – Christopher Tynan, Director of Winemaking

Rating

96+ points, *The Wine Independent*

Vineyard Notes

The 2022 Songbook is sourced from two acclaimed Napa Valley vineyards – David Abreu's Madrona Ranch Vineyard, nestled in the foothills of the Mayacamas mountain range, and our Poetry Estate Vineyard. These vineyards produce grapes of exceptional character resulting from proprietary clones, extremely low yields, and meticulous farming.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five-pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process, which includes our cutting-edge optical sorter and a slow, individual berry hand sort. Whole berries were gently delivered by gravity to tank by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of élevage in French oak barrels, 99% of which were new.

Description

Beneath the 2021 Songbook’s shy, demure initial impression, simmers a dashing and seductive elixir. A little time in the glass reveals comely warm

slate, wild blackberry preserves, iron, violets, and cedar aromas. A liquid minerality is intertwined throughout the black licorice, cocoa powder, chocolate cake, and cinnamon flavors. This sumptuous wine finishes lively and precise, shining with fresh acidity and supportive tannin that will carry this wine on its long journey ahead. – Christopher Tynan, Director of Winemaking

Tasting Notes

A chorus of currants, black licorice, bay laurel, walnut, and cedar fill the glass and are braided into a perfume of rose, melted road tar, chocolate, and black truffles. There's tons of heady cassis, amaretto, black cherry, fruitcake, and mineral flavors across the broad shouldered palate. It finishes on a long silky polished frame, while an encore of loam, wintergreen, and autumn leaf aromatic notes echo in the upper register of taster. - Christopher Tynan, Director of Winemaking

- **Appellation:** Napa Valley

Price

- **Item Price:** \$710.00

Description

Sourced from famed viticulturist David Abreu's personally-farmed properties, the 2012 Songbook offers alluring perfume with effusive, ethereal aromas of violets and crushed rose petal segue into exotic boysenberry, huckleberry, and blood orange fruits. Long, elegant, and seamless, the palate is supported structurally by beautiful, powdery tannins from the tufa soil in which the terraced Cabernet vines of the Thorevilos Vineyard reside.

which were new. The final blend is composed of 87% Cabernet Sauvignon, 12% Merlot, and 1% Cabernet Franc.

2018 Cliff Lede Magic Nights Cabernet Sauvignon, Rock Block Series, 1.5L

URL: <https://cliffledevineyards.com/product/2018-magic-nights-cabernet-sauvignon--rock-block-series--1-5l>

Wine Specs

- **Vintage:** 2018
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

If you take a ride on the silky and refined 2018 Magic Nights, this fantasy of a wine will set you free. It's as dark as midnight and delights the taster with deep rich cassis, candied violets, lilacs, blackberry, warm summer mulberries, and melted black licorice.

These go to eleven.

Vineyard Notes

Our estate vineyard blocks are named after Cliff's favorite rock songs and albums. The name of this blend is derived from The Who's "Magic Bus" in our Poetry vineyard and from The Moody Blues' "Nights in White Satin" in our Twin Peaks vineyard. The Cabernet Sauvignon in "Magic Carpet Ride" is planted in shallow volcanic soil and farmed to low yields, contributing structure, concentration and classic Stags Leap character to the backbone of the blend. "Nights in White Satin" is a block of Merlot that contributes a luxurious perfume, flavors of ripe, dark fruit, and plush texture.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2018 Cliff Lede Magic Nights Cabernet Sauvignon, Rock Block Series 3L

URL: <https://cliffledevineyards.com/product/2018-magic-nights-cabernet-sauvignon--rock-block-series-3l>

Wine Specs

- **Vintage:** 2018
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

If you take a ride on the silky and refined 2018 Magic Nights, this fantasy of a wine will set you free. It's as dark as midnight and delights the taster with deep rich cassis, candied violets, lilacs, blackberry, warm summer mulberries, and melted black licorice.

These go to eleven.

2015 Cliff Lede Moon Fantasy Cabernet Sauvignon, Rock Block Series, Stags Leap District 1.5L

<https://cliffledevineyards.com/product/2015-moon-fantasy-cabernet-sauvignon--stags-leap-district--1-5l>

Wine Specs

- **Vintage:** 2015
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

Surely our most elegant and reserved Rock Block wine to date, the 2015 Moon Fantasy charms the taster with its alluring perfume of violets and night blooming jasmine. Exquisitely precise flavors of blackberry and cassis unfold along the palate with scents of cigar box and orange liqueur soaring along the upper register of the olfactory. There is a lithe, almost gravity-defying agility in the way the lush tannin play out along the long finish.

Vineyard Notes

Our estate vineyard blocks are named after Cliff's favorite rock songs and albums. The name of this blend is derived from Pink Floyd's "Dark Side of the Moon" in our Twin Peaks vineyard and from Cream's "Dear Mr. Fantasy" in our Poetry vineyard. The Cabernet Sauvignon in "Dear Mr. Fantasy" is planted in shallow volcanic soil and farmed to low yields, contributing structure, concentration, and classic Stags Leap character to the backbone of the blend. "Dark Side of the Moon" is a block of Cabernet that contributes a luxurious perfume, flavors of ripe, dark fruit, and plush texture.

Wine Specs

- **Vintage:** 2012
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

"Full-bodied and opulent, this is a terrific cuvée to drink over the next 15+ years." -Robert Parker

These go to eleven.

Vineyard Notes

Our estate blocks are named after classic rock tunes. The namesake for this blend is derived from the "Beautiful Day" block and the "My Generation" block of our Twin Peaks Vineyard. Surrounding the winery, the Twin Peaks Vineyard features weathered volcanic soil eroded by the alluvial influence of the Napa River. This gravelly loam creates concentrated, plush Cabernet Sauvignon with a classic minerality.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and by our unique crane system which kept the berries intact. 2011 Cliff Lede Moondance Dream Cabernet Sauvignon, Rock Block Series, Stags Leap District, 1.5L

URL: <https://cliffledevineyards.com/product/2011-moondance-dream-cabernet-sauvignon--stags-leap-district-1-5l>

Wine Specs

- **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The Moondance Dream is a vibrant young wine still in its infancy. It's gorgeously laden with ethereal dark cherry, cigar box, and plum aromas that harmonize with melted dark chocolate and rich kirsch flavors. After a silky entry, the volume is turned up by bright acidity, highlighting the darker fruit notes of blueberry and cassis and giving the wine a rocking attitude. The suede-like tannins and rocky minerality crescendo along the lengthy finish. Tasted February 2024 – Chris Tynan, Director of Winemaking

Vineyard Notes

This blend is primarily sourced from two distinctive blocks named after the classic rock songs "Moondance" and "Dream On," located on our Poetry estate vineyard. The steep terraced hillside vines of Cabernet Sauvignon in "Dream On" offer intense structure and concentration, while the rolling hills of "Moondance" add opulence and polish. Small percentages of Petit Verdot, Malbec, and Merlot from our Twin Peaks estate harmonize with the Cabernet to add nuance and aromatic lift.

Production Notes

Our estate vineyard was harvested at night under lights into small lug bins. The fruit was delivered directly to the winery by tractor and immediately subjected to rigorous selection by our three-tiered sorting system, including our cutting-edge optical sorter. The berries were gently gravity-delivered to truncated tanks custom-designed to ferment each block of our estate vineyard individually. Following a five to eight day whole berry cold soak, fermentations were managed with cool temperatures and long pumpovers. An extended maceration period of four to five weeks fine-tuned our tannin profiles.

2009 Cliff Lede Cinnamon Rhapsody Cabernet Sauvignon, Rock Block Series, Stags Leap District 1.5L

URL: <https://cliffledevineyards.com/product/2009-cinnamon-rhapsody-cabernet-sauvignon-stags-leap-district-1-5l>

Wine Specs

- **Vintage:** 2009
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The 2009 “Cinnamon Rhapsody” possesses an inky dark purple color that’s unbelievably powerful, both in the nose and the palate. An abundance of blackberry, Belgian chocolate, Christmas cake, camphor, sweet molasses, and warm currants fill the glass. This full throttle beauty drips with kirch, warm dates, toasted walnuts, and black licorice flavors that are carried across the palate with ultrafine tannin. Rich, deep, and full-bodied, this voluptuous, sensational Cabernet finishes long and broad with flourishes of espresso, spring flowers, and baking spices. – Chris Tynan - Director of Winemaking

Vineyard Notes

The majority of this fruit was sourced from two distinctive blocks named “Cinnamon Girl” and “Bohemian Rhapsody” located on our estate. The soils and exposure of these two blocks demonstrate stark contrasts, which are reflected in the wine’s complex profile.

Production Notes

Grapes were picked in the darkness of the early morning hours, and immediately subjected to rigorous selection by our three-tiered hand-sorting system. The berries were gently delivered to tank by our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five to eight days and native fermentations were managed via a combination of delestage, punchdowns and pumpovers. Extended maceration from three to five weeks fine-tuned our tannin profiles.

Rock Block Vertical '16-'22 (Shipping Included)

<https://cliffledevineyards.com/product/rock-block-vertical-shipping-included>

Item Price: \$795.00

Fit for a collector, this six-bottle vertical* is classic, lush, Stags Leap District. Each vintage name is a mashup of two of our favorite rock songs, which double as names for our vineyard blocks. For example, 2022 "Wild Fantasy" is made from blocks named after "Born to be Wild" from Steppenwolf and "Dear Mr. Fantasy" from Traffic. This set is displayed in a black six-bottle gift box and will include a vineyard map of our "Rock Blocks." This set includes one bottle of the following wines from our Stags Leap District estate:

- 2016 "Soul Fire" - Antonio Galloni 96
- 2017 "Dancing Heart" - Wine Enthusiast 96
- 2018 "Magic Nights" - Antonio Galloni 95
- 2019 "Roundabout Midnight" - Wine Advocate 94
- 2021 "Diamond Sky" - Wine Enthusiast 94
- 2022 "Wild Fantasy" - Antonio Galloni 94

Gift Box & Ground Shipping Included

**In 2020, we did not produce a Rock Block wine*

Description

The inky 2022 Wild Fantasy features a glass-coating, saturated opaque purple color. The wine offers a sexy bouquet of pain grille, Asian spices, pencil lead, mineral, lavender, blueberry, and black cherry. On the palate, there is layer upon layer of savory fruit, spice notes, espresso, and chocolate as well as exquisite balance. Finely grained polished tannins race along the finish and grace the velvety supple crescendo. - Christopher Tynan, Director of Winemaking

These go to eleven.

Vineyard Notes

Our estate vineyard blocks are named after Cliff's favorite rock songs and albums. The name of this blend is derived from "Born to be Wild" from Steppenwolf and "Dear Mr. Fantasy" from Traffic. We utilize both the gravelly, alluvial soils of our Rhythm Vineyard and the steep, rocky volcanic slopes of the Poetry Vineyard to create this unique blend.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five- pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting-edge optical sorter, and a slow, individual berry hand sort. In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of élevage in French oak barrels, 78% of which were new.

2012 Cliff Lede Beautiful Generation Cabernet Sauvignon, Rock Block Series, Stags Leap District, 3L

URL: <https://cliffledevineyards.com/product/2012-beautiful-generation-cabernet-sauvignon--stags-leap-district--3l>

Wine Specs

Vintage: 2012

Varietal: Cabernet Sauvignon

Appellation: Stags Leap District

Description

"Full-bodied and opulent, this is a terrific cuvée to drink over the next 15+ years." -Robert Parker

These go to eleven.

Vineyard Notes

Our estate blocks are named after classic rock tunes. The namesake for this blend is derived from the "Beautiful Day" block and the "My Generation" block of our Twin Peaks Vineyard. Surrounding the winery, the Twin Peaks Vineyard features weathered volcanic soil eroded by the alluvial influence of the Napa River. This gravelly loam creates concentrated, plush Cabernet Sauvignon with a classic minerality.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. - **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The Moondance Dream is a vibrant young wine still in its infancy. It's gorgeously laden with ethereal dark cherry, cigar box, and plum aromas that harmonize with melted dark chocolate and rich kirsch flavors. After a silky entry, the volume is turned up by bright acidity, highlighting the darker fruit notes of blueberry and cassis and giving the wine a rocking attitude. The suede-like tannins and rocky minerality crescendo along the lengthy finish. Tasted February 2024 – Chris Tynan, Director of Winemaking.

Vineyard Notes

This blend is primarily sourced from two distinctive blocks named after the classic rock songs "Moondance" and "Dream On," located on our Poetry estate vineyard. The steep terraced hillside vines of Cabernet Sauvignon in "Dream On" offer intense structure and concentration, while the rolling hills of "Moondance" add opulence and polish. Small percentages of Petit Verdot, Malbec, and Merlot from our Twin Peaks estate harmonize with the Cabernet to add nuance and aromatic lift.

Production Notes

Our estate vineyard was harvested at night under lights into small lug bins. The fruit was delivered directly to the winery by tractor and immediately subjected to rigorous selection by our three-tiered sorting system, including our cutting edge optical sorter. The berries were gently gravity-delivered to truncated tanks custom-designed to ferment each block of our estate vineyard individually. Following a five to eight day whole berry cold soak, fermentations were managed with cool temperatures and long pumpovers. An extended maceration period of four to five weeks fine-tuned our tannin profiles.

2009 Cliff Lede Cinnamon Rhapsody Cabernet Sauvignon, Rock Block Series, Stags Leap District 1.5L

<https://cliffdevineyards.com/product/2009-cinnamon-rhapsody-cabernet-sauvignon-stags-leap-district-1-5l>

Wine Specs

- **Vintage:** 2009
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The 2009 “Cinnamon Rhapsody” possesses an inky dark purple color that’s unbelievably powerful, both in the nose and the palate. An abundance of blackberry, Belgian chocolate, Christmas cake, camphor, sweet molasses, and warm currants fill the glass. This full throttle beauty drips with kirch,

warm dates, toasted walnuts, and black licorice flavors that are carried across the palate with ultrafine tannin. Rich, deep, and full-bodied, this voluptuous, sensational Cabernet finishes long and broad with flourishes of espresso, spring flowers, and baking spices. – Chris Tynan - Director of Winemaking

Vineyard Notes

The majority of this fruit was sourced from two distinctive blocks named “Cinnamon Girl” and “Bohemian Rhapsody” located on our estate. The soils and exposure of these two blocks demonstrate stark contrasts, which are reflected in the wine’s complex profile.

Production Notes

Grapes were picked in the darkness of the early morning hours, and immediately subjected to rigorous selection by our three-tiered hand-sorting system. The berries were gently delivered to tank by our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five to eight days and native fermentations were managed via a combination of delestage, punchdowns and pumpovers. Extended maceration from three to five weeks fine-tuned our tannin profiles.

Cart

The inky black 2016 Stags Leap District is a brooding elixir that dazzles the senses. Still, in its evolutionary youth, it displays a fully integrated nose of fresh red and black currants, wild blackberries, and a perfumed bouquet of violets and lavender. Spice notes of smoked cardamom, anise, and cumin

dance among the fig paste and cherry flavors. The opulent concentrated finish crescendos in a wave of supple tannins, which nimbly glides along the

palate and draws the taster back for another joyful sip. Tasted February 2024 - Christopher Tynan, Director of Winemaking

Vineyard Notes

The fruit was sourced from the hillside terraces of our Poetry Vineyard, our Twin Peaks Vineyard estate surrounding the winery, and a few neighboring vineyards in the Stags Leap District. The wine is composed of small lots from our best blocks, representing a diverse range of carefully selected clones and rootstocks. From Poetry's exposed, rocky terraces boasting volcanic origins, to the ancient riverbed alluvial soils of Twin Peaks, the breadth of contributing sites translates into a wine of impressive complexity.

Production Notes

Grapes were picked in the darkness of the early morning hours. The freshly-harvested fruit immediately underwent rigorous selection by our three-tiered sorting process, which included our cutting-edge optical sorter. Whole berries were gently delivered by gravity to tank using our crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately seven days, and fermentations were managed via a combination of

délestage, pumpovers, and punchdowns. Extended maceration ranging from four to five weeks fine-tuned our tannin profiles, allowing us to perfect mouth feel and wine complexity. The wine was aged in French oak barrels, 49% of which were new, for twenty-one months.

Winemaker Notes

- **Composition:** 79% Cabernet Sauvignon, 11% Merlot, 8% Petit Verdot, 2% Cabernet Franc

2015 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard

URL: <https://cliffledevineyards.com/product/2015-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard>

Wine Specs

- **Vintage:** 2015
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Oakville

Price

- **Item Price:** \$290.00 (750 ml)

Tasting Notes

Flavors of blueberry, marionberry preserves, warm currants, and luxardo cherries spring forth along the sultry palate.

Vineyard Notes

Situated on the western Oakville bench, the vaunted Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of élevage in French oak barrels, 88% of which were new.

2014 Cliff Lede Cabernet Sauvignon, Calistoga

URL: <https://cliffledevineyards.com/product/2014-cliff-lede-cabernet-sauvignon--calistoga-vineyard>

Wine Specs

- **Vintage:** 2014
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Calistoga

Price

- **Was:** \$115.00
- **Now:** \$74.00

Description

The outstanding 2014 Calistoga deftly combines elegance and concentration. Notes of the gravel and rock terroir weave throughout the dulcet bouquet of summer black cherries and luscious cassis. Seductive aromas of violets, lavender, and warm black licorice add further complexity. Truffle salt, porcini mushroom, cardamom, and roasted marrow add a savory complexity to the upper register of the bouquet. While provocatively plush and suave already, this wine has plenty of supportive tannin which provides structure and ageability. – Christopher Tynan, Winemaker

Vineyard Notes

Located at the base of Diamond Mountain in the western portion of the Calistoga appellation, the Calistoga estate vineyard has twenty acres of vineyard planted mostly to Cabernet Sauvignon. The gravelly loam soils are volcanic in origin with alluvial influence made evident by copious amounts of water-rolled gravel and large cobbles. While Calistoga can experience quite hot daytime temperatures, the estate is protected from the afternoon sun by Diamond Mountain to the west. Cool breezes from the Pacific are drawn in by the narrow gap between Napa and Sonoma Counties, further mediating the hot days. The result is powerful, rich Cabernet with balanced acidity.

Production Notes

Hand harvested in the cool dark of night, the fruit was brought to the winery and subjected to rigorous selection by a three-tiered sorting process, including a cutting edge optical sorter, with a goal of eliminating less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by a crane system, retaining perfect, whole berries. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage and pump overs. Extended maceration, ranging from three to four weeks, fine-tuned tannin profiles, allowing for the building of structure and wine complexity. The wine was aged in French oak barrels, 50% of which were new, for twenty-one months.

Robert Parker's Wine Advocate - 93 points

"...This is another classic Stags Leap Cabernet Sauvignon, with notes of licorice, blackcurrant, black raspberry fruit and forest floor. It has beautiful purity, texture and medium to full body. It seems to have reached that magical plateau of maturity, where there is no danger of falling apart for at least another decade. This is a beauty." - Jun 2015

Vineyard Notes

The fruit was sourced from the hillside terraces of our Poetry Vineyard, as well as our Twin Peaks Vineyard estate surrounding the winery, and a few neighboring vineyards in the Stags Leap District. The wine is composed of small lots from our best blocks, representing a diverse range of carefully selected clones and rootstocks. From Poetry's exposed, rocky terraces that are volcanic in origin, to the ancient riverbed alluvial soils of Twin Peaks, the breadth of contributing sites translates into a wine of impressive complexity.

Production Notes

Grapes were picked in the darkness of the early morning hours, and immediately subjected to rigorous selection by our three-tiered sorting and refinement process. The whole berries were gently delivered to tank by our unusual crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five days and fermentations were managed via a combination of delestage and pumpovers. Extended maceration from three to five weeks fine-tuned our tannin profiles, and allowed us to perfect mouth feel and wine complexity. This Cabernet Sauvignon underwent eighteen months of elevage in 70% new French oak and 30% neutral French oak. The final blend is composed of 85% Cabernet Sauvignon, 13% Merlot, 1% Malbec, and 1% Petit Verdot.

2018 Cliff Lede Magic Nights Cabernet Sauvignon, Rock Block Series, 1.5L

URL: <https://cliffledevineyards.com/product/2018-magic-nights-cabernet-sauvignon--rock-block-series--1-5l>

Wine Specs

- **Vintage:** 2018
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

If you take a ride on the silky and refined 2018 Magic Nights, this fantasy of a wine will set you free. It's as dark as midnight and delights the taster with deep rich cassis, candied violets, lilacs, blackberry, warm summer mulberries, and melted black licorice.

These go to eleven.

Vineyard Notes

Our estate vineyard blocks are named after Cliff's favorite rock songs and albums. The name of this blend is derived from The Who's "Magic Bus" in our Poetry vineyard and from The Moody Blues' "Nights in White Satin" in our Twin Peaks vineyard. The Cabernet Sauvignon in "Magic Carpet Ride" is planted in shallow volcanic soil and farmed to low yields, contributing structure, concentration and classic Stags Leap character to the backbone of the blend. "Nights in White Satin" is a block of Merlot that contributes a luxurious perfume, flavors of ripe, dark fruit, and plush texture.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2015 Cliff Lede Moon Fantasy Cabernet Sauvignon, Rock Block Series, Stags Leap District 1.5L

URL: <https://cliffledevineyards.com/product/2015-moon-fantasy-cabernet-sauvignon--stags-leap-district--1-5l>

Wine Specs

Vintage: 2015

Varietal: Cabernet Sauvignon

Appellation: Stags Leap District

Description

Surely our most elegant and reserved Rock Block wine to date, the 2015 Moon Fantasy charms the taster with its alluring perfume of violets and night blooming jasmine.

Exquisitely precise flavors of blackberry and cassis unfold along the palate with scents of cigar box and orange liqueur soaring along the upper register of the olfactory. There is a lithe, almost gravity defying agility in the way the lush tannin play out along the long finish.

Vineyard Notes

Our estate vineyard blocks are named after Cliff's favorite rock songs and albums. The name of this blend is derived from Pink Floyd's "Dark Side of the Moon" in our Twin Peaks vineyard and from Cream's "Dear Mr. Fantasy" in our Poetry vineyard. The Cabernet Sauvignon in "Dear Mr. Fantasy" is planted in shallow volcanic soil and farmed to low yields, contributing structure, concentration and classic Stags Leap character to the backbone of the blend. "Dark Side of the Moon" is a block of Cabernet that contributes a luxurious perfume, flavors of ripe, dark fruit, and plush texture.

2011 Cliff Lede Moondance Dream Cabernet Sauvignon, Rock Block Series, Stags Leap District, 1.5L

URL: <https://cliffledevineyards.com/product/2011-moondance-dream-cabernet-sauvignon--stags-leap-district-1-5l>

Wine Specs

- **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The Moondance Dream is a vibrant young wine still in its infancy. It's gorgeously laden with ethereal dark cherry, cigar box, and plum aromas that harmonize with melted dark chocolate and rich kirsch flavors. After a silky entry, the volume is turned up by bright acidity, highlighting the darker fruit notes of blueberry and cassis and giving the wine a rocking attitude. The suede-like tannins and rocky minerality crescendo along the lengthy finish. Tasted February 2024 – Chris Tynan, Director of Winemaking

Vineyard Notes

This blend is primarily sourced from two distinctive blocks named after the classic rock songs "Moondance" and "Dream On," located on our Poetry estate vineyard. The steep terraced hillside vines of Cabernet Sauvignon in "Dream On" offer intense structure and concentration, while the rolling hills of "Moondance" add opulence and polish. Small percentages of Petit Verdot, Malbec, and Merlot from our Twin Peaks estate harmonize with the Cabernet to add nuance and aromatic lift.

Production Notes

Our estate vineyard was harvested at night under lights into small lug bins. The fruit was delivered directly to the winery by tractor and immediately subjected to rigorous selection by our three-tiered sorting system, including our cutting edge optical sorter. The berries were gently gravity-delivered to truncated tanks custom-designed to ferment each block of our estate vineyard individually. Following a five to eight day whole berry cold soak, fermentations were managed with cool temperatures and long pumpovers.

An extended maceration period of four to five weeks fine-tuned our tannin profiles.

The fruit was delivered directly to the winery by tractor and immediately subjected to rigorous selection by our three-tiered sorting system, including our cutting edge optical sorter. The berries were gently gravity-delivered to truncated tanks custom-designed to ferment each block of our estate vineyard individually. Following a five to eight day whole berry cold soak, fermentations were managed with cool temperatures and long pumpovers.

An extended maceration period of four to five weeks fine-tuned our tannin profiles.

2009 Cliff Lede Cinnamon Rhapsody Cabernet Sauvignon, Rock Block Series, Stags Leap District 1.5L

URL: <https://cliffledevineyards.com/product/2009-cinnamon-rhapsody-cabernet-sauvignon-stags-leap-district-1-5l>

Wine Specs

- **Vintage:** 2009
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

The 2009 “Cinnamon Rhapsody” possesses an inky dark purple color that’s unbelievably powerful, both in the nose and the palate. An abundance of blackberry, Belgian chocolate, Christmas cake, camphor, sweet molasses, and warm currants fill the glass. This full throttle beauty drips with kirsch, warm dates, toasted walnuts, and black licorice flavors that are carried across the palate with ultrafine tannin. Rich, deep, and full-bodied, this voluptuous, sensational Cabernet finishes long and broad with flourishes of espresso, spring flowers, and baking spices. – Chris Tynan - Director of Winemaking

Vineyard Notes

The majority of this fruit was sourced from two distinctive blocks named “Cinnamon Girl” and “Bohemian Rhapsody” located on our estate. The soils and exposure of these two blocks demonstrate stark contrasts, which are reflected in the wine’s complex profile.

Production Notes

Grapes were picked in the darkness of the early morning hours, and immediately subjected to rigorous selection by our three-tiered hand-sorting system. The berries were gently delivered to tank by our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five to eight days and native fermentations were managed via a combination of delestage, punchdowns, and pumpovers. Extended maceration from three to five weeks fine-tuned our tannin profiles.

2015 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard

URL: <https://cliffledevineyards.com/product/2015-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard>

Item Price: \$290.00 (750 ml)

Flavors:

Flavors of blueberry, marionberry preserves, warm currants, and luxardo cherries spring forth along the sultry palate.

Vineyard Notes

Situated on the western Oakville bench, the vaunted Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of élevage in French oak barrels, 88% of which were new.

2014 Cliff Lede Cabernet Sauvignon, Calistoga

URL: <https://cliffledevineyards.com/product/2014-cliff-lede-cabernet-sauvignon--calistoga-vineyard>

Item Price Was

\$115.00 Now

\$74.00

Description

The outstanding 2014 Calistoga deftly combines elegance and concentration. Notes of the gravel and rock terroir weave throughout the dulcet bouquet of summer black cherries and luscious cassis. Seductive aromas of violets, lavender, and warm black licorice add further complexity. Truffle salt, porcini mushroom, cardamom, and roasted marrow add a savory complexity to the upper register of the bouquet. While provocatively plush and suave already, this wine has plenty of supportive tannin which provides structure and ageability. – Christopher Tynan, Winemaker

Vineyard Notes

Located at the base of Diamond Mountain in the western portion of the Calistoga appellation, our Calistoga estate vineyard has twenty acres of vineyard planted mostly to Cabernet Sauvignon. The gravelly loam soils are volcanic in origin with alluvial influence made evident by copious amounts of water-rolled gravel and large cobbles. While Calistoga can experience quite hot daytime temperatures, our estate is protected from the afternoon sun by Diamond Mountain to our west. Cool breezes from the Pacific are drawn in by the narrow gap between Napa and Sonoma Counties, further mediating the hot days. The result is powerful, rich Cabernet with balanced acidity.

Production Notes

Hand harvested in the cool dark of night, the fruit was brought to the winery and subjected to rigorous selection by our three-tiered sorting process, including our cutting edge optical sorter, with a goal of eliminating less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by our crane system, retaining perfect, whole berries. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage and pump overs. Extended maceration, ranging from three to four weeks, fine-tuned tannin profiles, allowing us to build structure and wine complexity. The wine was aged in French oak barrels, 50% of which were new, for twenty-one months.

2011 Cliff Lede Poetry Cabernet Sauvignon, Stags Leap District

URL: <https://cliffledevineyards.com/product/2011-poetry-cabernet-sauvignon-stags-leap-district>

Wine Specs

- **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

A pretty bouquet of berry compote and black fig leads to inviting notes of vanilla bean, brioche, and warm spices. Hints of rose petals and anise greet the senses as this lush, weighty wine entices the palate. This seamless expression of fruit, spice, and earth is highlighted by the minerality of crushed rocks, reminiscent of the volcanic rock of the Poetry Vineyard. It is the steep, terraced west-facing slopes of the Poetry vineyard that produce a wine of such purity and concentration that intrigues the senses now yet has the intensity and structure to evolve in the cellar. Tasted February 2024 – Christopher Tynan, Director of Winemaking

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, the small vines develop slowly and yield small flavorful berries.

Production Notes

In the cool darkness of night, grapes were hand-picked under lights into twenty-five pound bins to minimize crushing. By early morning the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system which kept a high percentage of whole berries intact. Cold soaks lasted from five to eight days, and fermentations

were managed through a combination of pumpovers and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. Following eighteen months of élevage in new French oak, the blend was selected from our best lots of the Poetry Vineyard. The final blend is 88% Cabernet Sauvignon, 8% Merlot, 2% Cabernet Franc, and 2% Malbec.

Description

The deep dark ruby colored 2021 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard boasts a brooding perfume of sultry violets, wild blackberry, and black figs. Red currant, black cherry, and mulberry preserve flavors permeate the entry tinged with cinnamon and nutmeg notes. Hallmark accents of gravelly loam, graphite, and crème de cassis open along the fresh finish and linger long after tasting. This raw multilayered wine will continue to open and gain immense depth and length with proper cellaring. – Christopher Tynan, Director of Winemaking

Description

Our 2016 Songbook is a beautiful dance of sweet and savory fragrances and flavors. The fruit leads this vintage with ambrosial notes of fig paste, crushed wild raspberries, and black currants. Following, but no less important, are savory nori wrapper, fennel pollen, black truffle, and dried shiitakes. On the finish, cocoa powder, new tobacco, and sage leaf aromatics waft in the retro nasal cavities while layers of unctuous black licorice, wild raspberries, and white chocolate notes linger on the long finish.

2015 Cliff Lede Songbook Cabernet Sauvignon, Napa Valley, 1.5L in Wood Box

<https://cliffledevineyards.com/product/2015-songbook-cabernet-sauvignon--napa-valley--1-5l-in-wood-box>

Wine Specs

- **Vintage:** 2015
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

The exotic and alluring 2015 Songbook is poised to become our best ever. A study in balanced freshness and precise, focused flavors, this buoyant elixir is perfumed with blueberry, blackberry, and a gravelly pine forest floor.

Vineyard Notes

Songbook is sourced from two of acclaimed viticulturist David Abreu's personally-farmed properties: Thorevilos Vineyard, situated between the St. Helena and Howell Mountain AVAs, and Madrona Ranch, nestled in the foothills of the Mayacamas mountain range. These vineyards produce grapes of exceptional character resulting from proprietary clones, extremely low yields, and meticulous farming. The result is a winemaker's dream.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process, which includes our cutting edge optical sorter and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2015 Cliff Lede Cabernet Sauvignon, Beckstoffer To Kalon Vineyard, 1.5L

URL: <https://cliffledevineyards.com/product/2015-cliff-lede-cabernet-sauvignon--beckstoffer-to-kalon-vineyard--1-5l>

Wine Specs

- **Vintage:** 2015
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Oakville

Description

Flavors of blueberry, marionberry preserves, warm currants, and luxardo cherries spring forth along the sultry palate.

Vineyard Notes

Situated on the western Oakville bench, the vaunted Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this praised site.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

2014 Cliff Lede Poetry Cabernet Sauvignon, Stags Leap District, 1.5L in Wood Box

<https://cliffledevineyards.com/product/2014-poetry-cabernet-sauvignon-stags-leap-district-1-5l-in-wood-box>

Wine Specs

- **Vintage:** 2014
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

"Always one of the stars of Napa is Cliff Lede's Cabernet Sauvignon Poetry and the 2014 Cabernet Sauvignon Poetry is a blend of 87% Cabernet Sauvignon, 6% Merlot, 6% Cabernet Franc and the rest Petit Verdot. Never the biggest wine made by Cliff Lede, this is an elegant, classic Stags Leap example with finesse allied to beautifully pure power and balance. Deep and rich and possibly, at this stage, less expressive than some of its siblings, it is simply loaded and poised for a brilliant future. Consumers should give this 4-5 years of bottle age and drink it over the following 25-30 years." 95+ points. Robert Parker's Wine Advocate, Dec 2016

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, planted with high vine density and farmed to very low yields, the vines develop slowly and produce small flavorful berries.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process, which includes our cutting edge optical sorter and a slow, individual berry hand

sort. The fruit was gently gravity-delivered to small tanks and wooden cuves by our unique crane system, which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and délestage. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles.

Following twenty-one months of élevage in French oak barrels, 72% of which were new, the blend was selected from our best lots of the Poetry Vineyard. The final blend is composed of 87% Cabernet Sauvignon, 6% Cabernet Franc, 6% Merlot, and 1% Petit Verdot.

2013 Cliff Lede Cabernet Sauvignon, Stags Leap District, 3L

URL: <https://cliffledevineyards.com/product/2013-cliff-lede-cabernet-sauvignon--3l>

Wine Specs

- **Vintage:** 2013
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Description

Inky purple with blood-red tinged edges, the elegant and seamless 2013 Stags Leap District Cabernet Sauvignon's multilayered perfume fills the glass with notes of violets, lavender, and spring flowers. Intertwined with the floral notes are heady layers of plum, blackberry, and red currents. Silky, unctuous flavors of smoked cardamom, cinnamon, and black licorice lay out on the palate and finish with the taste and texture of liquefied rocks.

Vineyard Notes

The fruit was sourced from the hillside terraces of our Poetry Vineyard, as well as our Twin Peaks Vineyard estate surrounding the winery, and a few neighboring vineyards in the Stags Leap District. The wine is composed of

small lots from our best blocks, representing a diverse range of carefully selected clones and rootstocks. From Poetry's exposed, rocky terraces that are volcanic in origin, to the ancient riverbed alluvial soils of Twin Peaks, the breadth of contributing sites translates into a wine of impressive complexity.

Production Notes

Hand harvested throughout the night, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting edge optical sorter, with a goal of retaining only perfect berries. The selected fruit was gently delivered to specially-designed truncated tanks via gravity by our crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage and pumpovers. Extended maceration ranging from four to five weeks fine-tuned tannin profiles, allowing us to build mouth feel and wine complexity. The wine was aged in French oak barrels, 50% of which were new, for twenty-one months.

\$550.00

2011 Cliff Lede Songbook Cabernet Sauvignon, Napa Valley, 1.5L

URL: <https://cliffledevineyards.com/product/2011-songbook-napa-valley-magnum--1-5l>

Wine Specs

- **Vintage:** 2011
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Napa Valley

Description

Aromas of black plum, cassis, and candied violets dance together with an intense perfume of sandalwood, sage, and pine in a performance that intrigues the senses. A silky, supple entry segues into a luscious, juicy mid-palate and a finale of talc minerality, expressive of Thorevilos Cabernet grown in tufa soils. The Cabernet Franc from Madrona Ranch lends aromatic lift, structure, and power to the blend, while Thorevilos Merlot adds finesse. Re-tasted February 2024 - Chris Tynan, Director of Winemaking

Vineyard Notes

The 2011 Songbook was sourced from acclaimed viticulturist David Abreu's personal properties Thorevilos Vineyard and Madrona Ranch. These vineyards produce grapes of exceptional character resulting from proprietary clones, extremely low yields, and meticulous farming. The result is a winemaker's dream.

Production Notes

Grapes were hand-picked into small lug bins in the darkness of the early morning hours, and immediately subjected to rigorous selection with our optical sorter and a berry-by-berry hand sorting process. The fruit was gently gravity-delivered to tank by our unique crane system, retaining the integrity of whole berries. Cold soaks lasted four to six days, and fermentations were managed by a combination of délestage and pumpovers. Extended maceration for four weeks fine-tuned our tannin profiles and allowed us to perfect mouth feel and complexity. This wine underwent eighteen months of élevage in new French oak.

- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Item Price

- **Price:** \$590.00

Description

Supple, supportive tannins create a velvety texture and lengthy finish for this elegant, mineral-laced wine. This impressive 3-liter bottle will be the highlight of your next social gathering. Actual 3-liter bottle, not pictured, is etched glass.

The fruit was sourced from the Twin Peaks Vineyard estate, as well as the hillside terraces of the Poetry Vineyard, and a few select neighboring growers in the Stags Leap District. The wine is composed of small lots from many of the best blocks, representing a diverse range of carefully selected clones and rootstocks. From exposed, rocky terraces that are volcanic in origin to valley-floor alluvial soils, the breadth of contributing sites translates into a wine of impressive complexity.

Production Notes

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by a three-tiered sorting process, including a cutting-edge optical sorter, with a goal of eliminating less-than-perfect berries. The selected fruit was gently delivered to tank via gravity by a crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five days, and fermentations were managed by a combination of délestage, pumpovers, and punchdowns. Extended maceration ranging from three to four weeks fine-tuned tannin profiles, allowing for building mouth feel and wine complexity. The wine was aged in French oak barrels, 59% of which were new, for twenty-one months. The final blend is 75% Cabernet Sauvignon, 14% Merlot, 5% Cabernet Franc, 3% Petit Verdot, and 3% Malbec.

2010 Cliff Lede Poetry Cabernet Sauvignon, Stags Leap District, 3L in Wood Box

URL: <https://cliffledevineyards.com/product/2010-poetry-cabernet-sauvignon--stags-leap-district--3l-in-wood-box>

Wine Specs

- **Vintage:** 2010
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Item Price

- \$2,340.00

Vineyard Notes

The Poetry Vineyard is carved into a steep west-facing hillside, reaching from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow soils atop

fractured shale. Due to the stressful nature of the site, the small vines develop slowly and yield small flavorful berries.

Production Notes

Grapes were picked into small bins in the cool darkness of early morning and immediately subjected to rigorous selection by a three-tiered hand sorting process. The fruit was gently gravity-delivered to tank and wooden cuves by a unique crane system, which kept a high percentage of whole berries intact. Cold soaks lasted approximately five to eight days and fermentations were managed through a combination of pumpovers and délestage. Extended maceration of up to five weeks ensured exceptional extraction and fine-tuning of tannin profiles. Finally, the blend underwent twenty-four months élevage in new French oak. The final blend is 75% Cabernet Sauvignon, 16% Merlot, 5% Petit Verdot, 3% Cabernet Franc, and 1% Malbec.

2009 Cliff Lede Cabernet Sauvignon, Stags Leap District, 3L

URL: <https://cliffledevineyards.com/product/2009-stags-leap-district-cabernet-sauvignon>

Wine Specs

- **Vintage:** 2009
- **Varietal:** Cabernet Sauvignon
- **Appellation:** Stags Leap District

Item Price

- \$630.00

Vineyard Notes

The fruit was sourced from the estate Twin Peaks Ranch, as well as the hillside terraces of the Poetry vineyard. The wine is composed of small lots from many of the best blocks, representing a diverse range of carefully selected rootstocks and clones. From exposed, rocky terraces to heavier alluvial soils, the breadth of contributing sites translates into a wine of impressive complexity.

Production Notes

The grapes were picked in the darkness of the early morning hours and immediately subjected to rigorous selection by a three-tiered hand sorting process. The whole berries were gently delivered to tank by a crane system, minimizing disruption of berry integrity. Cold soaks lasted approximately five days, and fermentations were managed via a combination of delestage, pumpovers, and punchdowns. Extended maceration ranging from three to four weeks fine-tuned the tannin profiles, allowing the building of mouth feel and wine complexity. The wine was aged in 60% new French oak for seventeen months.

2005 Cliff Lede Cabernet Sauvignon, Stags Leap District, 1.5L

<https://cliffledevineyards.com/product/2005-cliff-lede-cabernet-sauvignon-stags-leap-district-1-5l>

Wine Specs

2024 Sauvignon Blanc

<https://cliffledevineyards.com/wines/>

The lovable 2024 vintage of our Sauvignon Blanc offers complex hints of lime sherbet, honeysuckle, lemon curd, and orange blossom that are fragrant and complex.

Vineyard Notes

Our Sauvignon Blanc is a lively, yet elegant, expression of this varietal that gathers its complexity from both the diversity of terroir running north to south in the Napa Valley and from the inclusion of the rich and unctuous Sémillon grape. This blend includes Sauvignon Blanc and Sémillon from our estate vineyards in Calistoga, Stags Leap District, and Carneros. A grower vineyard in eastern Rutherford is home to old vines planted to a heritage

Musqué clone that provides density, richness, and lemon citrus notes.

Finally, old vine Sémillon from another site in Calistoga gives the wine an expansive mouth-coating richness that is the hallmark of our style.

Production Notes

The fruit was hand-harvested in the cool darkness of night and arrived at the winery at dawn. The grapes were held in controlled low oxygen and cold temperatures. Gentle, whole cluster pressing released the delicate, prized juices, and created a deeper level of complexity. The juice was fermented in 55% French oak barrels, 35% of which were new, and 45% stainless steel tanks. All fermentation was conducted at cold temperatures to preserve the freshness of the fruit. Upon reaching dryness, the wine was aged on its lees and select lots underwent occasional bâtonnage.

Winemaker Notes

The lovable 2024 vintage of our Sauvignon Blanc offers complex hints of lime sherbet, honeysuckle, lemon curd, and orange blossom that are fragrant and complex. The flavors and aromas are built on a fleshy, succulent frame, with notes of nectarine, pear, and ripe honeydew melon.

Harmonious with a thread of acidity on the finish, this vibrant wine dazzles with its refreshing appeal. – Christopher Tynan, Director of Winemaking

Wine Notes by Vintage

- [2024](#)
- Vintage: 2024

Item Price: \$38.00 (750ml)

2021 Poetry Cabernet Sauvignon

<https://cliffledevineyards.com/platinum-wines/>

The result of meticulous attention to detail throughout the winemaking process, the fresh and lively 2021 Poetry's effortless character belies the precision and masterly artistry required to assemble our multi-layered grand vin.

100 Points – “The medium-bodied palate is so tightly wound at this youthful stage, slowly revealing layer upon layer of fragrant black and red fruits with loads of mineral sparks, supported by beautifully fine-grained yet firm tannins and seamless acidity, finishing with epic length and a whole firework display of mineral and floral notes. This is gorgeous.” – **Lisa Perrotti- Brown, The Wine Independent**

Vineyard Notes

The Poetry Vineyard, carved into a steep west-facing hillside, reaches from the highest elevations of the Stags Leap District appellation to the valley floor. This vineyard draws its uniqueness from shallow, volcanic soils atop fractured shale. Due to the stressful nature of the site, planted with high vine density and farmed to very low yields, the vines develop slowly and produce small flavorful berries. The vineyard was designed by David Abreu and planted to legendary, proprietary heritage selections of Cabernet Sauvignon.

Production Notes

In the cool darkness of night, grapes were hand-picked into twenty-five- pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process, which includes our cutting-edge optical sorter and a slow, individual berry hand sort. Whole berries were gently delivered by gravity to tank by our unique crane system, which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and *délestage*. Extended maceration of up to six weeks ensured

exceptional extraction and fine-tuning of tannin profiles. Following twenty- one months of *élevage* in French oak barrels, 74% of which were new, the blend was selected from our best lots of the Poetry Vineyard.

Winemaker Notes

There is an effortlessness and ease to the 2021 Poetry that springs from the continuity and familiarity of its caretakers and the experience of the vines themselves as their roots dig deep into the shallow unforgiving terraces of rock and rhyolitic crevices. Wafts of warm summer mulberries, fractured rock, and violet perfume envelop the glass. Wild blackberry preserves form the flavor on the entry and combine with tantalizing, black truffle, sea salt, and steak *au poivre* juices. Plush tannin swathes the finish and wraps the tongue in a mineral laden, majestic embrace where the flavors linger long and pleasingly. – Christopher Tynan, Director of Winemaking

Map & Directions

1473 Yountville Cross Road Yountville, CA 94599

From Highway 29

Exit the highway at Madison Street at the north end of Yountville and head east. When Madison ends, turn left onto Yount Street, then make an immediate right onto the Yountville Cross Road. The winery is approximately 1 1/2 miles on your right.

From Silverado Trail

Turn west onto the Yountville Cross Road. Cliff Lede Vineyards is approximately 1/4 mile on your left.

Picnicking is not allowed on property. We are closed on Thanksgiving Day, Christmas Eve, Christmas Day, and New Year's Day.

Private & Group Experiences

<https://cliffledevineyards.com/visit/group-experiences/>

Step foot on world-renowned Stags Leap District soil with an in-depth tour of our property, including our Rhythm Vineyard, state-of-the-art Howard Backen-designed winery, and caves. Your immersive tasting experience will be hosted at one of our exclusive private venues on property.

The Poetry Experience

Indulge in the pinnacle of Napa Valley winemaking with the exclusive Poetry Experience, a private tour and tasting that highlights our limited-production, critically acclaimed “Poetry”, Cabernet Sauvignon. Featuring current vintage and library selections, this experience provides an insider’s view of our winemaking facility and the finest craftsmanship in the Cliff Lede Vineyards portfolio. Your tasting will be paired with a thoughtfully curated assortment of artisan cheeses and charcuterie. Two guest minimum.

- **Duration:** 2 hours, includes tour and 5 wines
- **Fee:** \$482 per person inclusive of 22% service charge
- Inquire here: <https://cliffledevineyards.com/visit/group-experiences/>

Library Tasting in the Cave

For the discerning collector who appreciates rarity, you and your guests will enjoy four library wines hand-picked by our winemaking team. Discover how Cliff Lede wines age and evolve as your host guides you through each vintage. This experience will be hosted in our impressive wine cave and is paired with a thoughtfully curated assortment of artisan cheeses and charcuterie. Four guest minimum, ten guest maximum.

- **Duration:** 2 hours, includes tour and 5 wines
- **Fee:** \$336 per person inclusive of 22% service charge
- Inquire here: <https://cliffledevineyards.com/visit/group-experiences/>

Double Gold

Experience a sensory tour of Napa’s most coveted growing regions. Tailor- made for the connoisseur who appreciates the nuances each appellation imparts on the wines. This experience begins with a refreshing white wine. Following the tour, you will sample four opulent Cabernet Sauvignons from distinct Napa Valley sub-appellations, each paired with insights into their unique characteristics. Six guest minimum.

- **Duration:** 2 hours, includes tour and 5 wines
- **Fee:** \$275 per person inclusive of 22% service charge
- Inquire here: <https://cliffledevineyards.com/visit/group-experiences/>

Silver & Gold

Join us for an exclusive journey through the art of winemaking as we guide you through a curated tasting of our current-release wines. Experience the craftsmanship and unique character of each selection from the acclaimed Cliff Lede Vineyards. Six guest minimum.

Stevie - The virtual Concierge and Wine Educator

Stevie is an AI enabled virtual Concierge and Wine Educator, the newest team member at Cliff Lede Vineyards. Stevie is not a mere chatbot and behaves as a personal guide to help you select the perfect wine, tasting experience, food pairing, or membership that fits your needs, or can dive deeper into a discussion about winemaking, terroir or varietals.

Stevie is not a Sommelier, however I have access to a wealth of wine knowledge that may deliver the answers you seek. If you wish to learn through formal wine education, there is great information at the WSET website <https://www.wsetglobal.com/>

Stevie has access to almost any information you can imagine related to wine thanks to my training, so don't hesitate asking me anything about wine, the winemaking process, wine growing regions, varietals and terroir. I will do my best to give you accurate answers. If you want to pursue more focused wine education courses I encourage you to explore the options at WSET website here <https://www.wsetglobal.com/>

Stevie is not human and does not qualify to attend WSET classes, but I have access to a wealth of wine knowledge I can share with you. Feel free to ask me anything and if you want to attend WSET classes check out the Trust here <https://www.wsetglobal.com/>

The difference between a Sommelier and WSET Certification is while each offers multiple levels of certification, a Somm will attend years of college and specialized education to achieve the highest level, and will be focused on a career in the restaurant or wine business as a respected expert. A person with a WSET certification, will be able to achieve the highest level (WSET Advanced) through specialized education from the Trust without the need for a degree and will pursue roles in hospitality, including wineries, retail and tasting rooms. Learn more on WSET here <https://www.wsetglobal.com/>
